# Sponsorship Program

NFACA  
PO BOX 319  
Newton Falls, Ohio 44444

Each year the Newton Falls Area Commerce Association (NFACA) promotes an event called Home 44444 the Holidays in Newton Falls, Ohio, where proceeds are given to the local food harvest and needy families. The event is a wonderful opportunity for the community to come together to forget economic issues and for fellowship with their fellow community members within a festive environment. There are many wonderful things that happen throughout the day that are free for children and offer a relief for parents during troubled times. There are give-a-ways, a Chinese auction, as well as several craft vendors. Santa is even present for photographs. It is our goal to fill a bus this year with the goods that we collect. In previous years, there were even cases where this event was the only holiday the family's children would experience, and the Home 44444 the Holidays committee strives every year to make the event bigger and better, this year is no different.

We will be continuing to offer the opportunity to sponsor the event. Every year, local businesses or members of the community ask how they can help with the event, and the sponsorship program will help out our committee greatly when it comes to covering some of the costs of promoting and facilitating the event.

For each of our sponsors, your business, personal, or organizations name will appear in our map handouts at the door and on our website (<http://www.home44444theholidays.com>) until we start again the following year.

We have several levels of sponsorships:
